

Admission and Application Process for T.A.S.C

Admission and Queueing Procedure

T.A.S.C. is open to children attending The Tanto International School. However, we have limited number of places (60 including Fritidsklubb) and there can sometimes be a waiting list.

When children are admitted to The Tanto International School, parents may apply for a place for their child in T.A.S.C. Or even if their child is already in the school, but circumstances change they can apply for a T.A.S.C. place as long as the criteria is fulfilled.

How to Apply

Application can be done by emailing our Office Manager, Ms Lundgren, to indicate an interest. The email address is tantoschool@me.com.

The office will place your child on the waiting list. When a place becomes available, Ms Lundgren, will contact the you to ensure that the place is still required. The next step will be for the office to make contact with the kommun.

All offers of places are sent to the specific kommun dependent on the address of the household the child is registered at.

In order to be eligible for a place the child should have a Swedish personal number.

Criteria

T.A.S.C. is primarily available to parents where both adults, who care for a child, are working, studying, on parental leave or actively looking for work.

We offer places in waiting list order.

Fees

Fees are based on the income of individual households and are organised through the kommun.
