

The Tanto International School, Stockholm

Creating Passion for Learning and Excellence since 1983

Dear Parents/Guardians,

Welcome to The Tanto After School Club (T.A.S.C)

We are very happy to have your child at T.A.S.C and we look forward to spending many hours, days and weeks creating fun, stimulating activities for your child to take part in after school, each day and during some of the holidays.

As Principal of The Tanto International School, it is a privilege to welcome you to our 'Fritids'. I am extremely proud of our children and the staff who work here. We have dedicated, skilled and motivated staff who ensure that we aim high. Our goal is to create curiosity and a passion for learning amongst all children, whilst allowing children to grow personally, morally and socially. We offer many opportunities to explore craft, reading, games, sports and other such activities. We aim to ensure that all children love coming to T.A.S.C and have fun each day as well as get opportunities to relax, socialise learn about life and even continue some curriculum learning if they choose to.

Our staff take pride in what the children are doing and celebrate this by selecting a few photos each week to send home on the weekly mail and schedule.

I am sure that your child will develop great friendships, learn more about being part of a small group, democracy and equality whilst enjoying all the time they have at the club.

Once again, may I take this opportunity to welcome you on behalf of our team and children at T.A.S.C

Yours Faithfully,

Mr. Rob Cameron

Principal

The Tanto International School
